

Here's my example and what you need to put in each blank to make up a silly animal. You can print it and send me a picture of it, write it down on a different piece of paper or have your parents type it as a comment or an email. You can also send me a video of you saying it. I had a lot of fun doing this and hope you do too.

I was walking down the road and I saw a(n) Duck, (name an animal)
Quack Quack! (name an animal sound)
He had three wings, (number and body part)
he liked to listen to pop music, (type of music)
he was quite silly, (describe your animal's attitude)
he liked to eat nachos, (name a food) and drink slurpees, (name a drink)
and he was always playing hockey. (name an activity)
He was a crazy, sporty, happy duck. (three words to describe your animal)
